

TARAVAL GREY LOW S3L ESD FO SR

Art. No. 64.802.0

- Protection:** fiberglass toe cap and flexible FAP[®] midsole
- Upper:** durable microfibre
- Plus:** Heel & Arch Support, extremely lightweight
- Lining:** BreathActive functional lining
- Footbed:** evercushion[®] RELIEF^T
- Sole:** FLEXLITE - slip resistant DUO-PU and TPU outsole with midsole of continuously high performance EFFECT.FOAM[®] for excellent cushioning and energy return
- Sizes:** 36 - 47

FLEXLITE OUTSOLE

The noticeably light and ergonomic sole architecture with differently sized lugs and curved grooves ensures optimum liquid displacement and supports a natural rolling movement. Wear-resistant TPU inserts in the areas subject to the greatest strain and reinforced arch support ensure a secure grip, especially on industrial floors. The distinctive heel enables outstanding grip on ladders.

EFFECT.FOAM[®]

Tireless comfortable!

- 60% energy return
- 47% less impact on bones and joints*
- extremely powerful and light
- permanently high level of comfort for fatigue-free work

* Dynamic energy absorption reduces the impacts to 1.6KN, the average for safety shoes is 3.0KN.

HEEL & ARCH SUPPORT

The three-dimensional element formed directly from the EFFECT.FOAM midsole surrounds the heel and supports the midfoot. This ensures maximum hold, protects against ankle twists while also enabling a natural rolling movement of the foot.

EVERCUSHION[®] RELIEF^T

This ergonomically shaped, high-performance footbed is a combination of different soft polyurethane layers. It reliably protects the heel from shock, withstands even the most strenuous daily demands and guarantees long-lasting comfort and performance.
