## HEAVY DUTY SOLE

The outdoor-inspired sole is meticulously designed to meet the highest safety standards while providing the utmost comfort. Trust in its exceptional oil and slip-resistant octopus pattern, ladder grip and its direct attached Polyurethane midsole to enhance your performance and keep you safe during your job.

## SCUFF CAP

Extra high scuff cap for wearers who kneel a lot during their work.

## EVERCUSHION® MAX

Maximum comfort and a perfect fit thanks to the cushioning, breathable and moisture-regulating evercushion® MAX footbed. The textile surface is not only non-slip, but also has an antibacterial

## CTX® WATERPROOF MEMBRANE

We use an extremely durable water resistant and breathable high-tech CTX® membrane. Its microporous fabric structure protects feet from
